I, Chanston James Paech, Minister for Local Government, under section 342 of the *Local Government Act 2019*, hereby make this Guideline for the purposes of the Act.

.....  
Minister for Local Government  
23/6 / 2021

# Guideline 1: Local Authorities

---

## 1 Title

- 1.1 This Guideline is titled *Guideline 1: Local Authorities*.

## 2 Commencement

- 2.1 This Guideline commences on the day on which section 342 of the *Local Government Act 2019* commences.

## 3 Definitions

For the purposes of this Guideline:

**Act** means the *Local Government Act 2019*.

**council** means a council for a region.

**member** means a local authority member.

**provisional decision** means a decision, by majority vote, made by the members at a provisional meeting (see clause 12.5).

**provisional meeting** means, at the time and place set for a local authority meeting when a quorum has not been established, at least one third of members are present and agree to hold a meeting (see clause 12.1).

## 4 Establishing and maintaining local authorities

- 4.1 A council must establish and maintain the local authorities for the council listed in the Schedule to this Guideline.
- 4.2 A council must determine the area for each of its local authorities.

## 5 Administrative support

- 5.1 The CEO (or the CEO's delegate) is responsible for ensuring that each of the council's local authorities are provided with sufficient administrative support.
- 5.2 Council staff providing administrative support to meetings may, only at the request of a member, give informed advice during a meeting.

*Note for clause 5.2*

*Council staff may, through the chairperson, provide information of an administrative or operational nature at any time to support meeting processes.*

## 6 Local authority members

- 6.1 A council must decide, by council resolution, the number of members for each local authority. There must be at least 6 members and a maximum of 14 members for each local authority, unless the Minister approves a different maximum number of members for a particular local authority. Different local authorities of a council may have different numbers of members.

*Note for clause 6.1*

*Section 77 of the Act covers specific requirements for the constitution (membership) of a local authority.*

- 6.2 A council may appoint a person to be a member if they have a sufficient connection to the community or communities in the local authority's area.
- 6.3 A council must keep a register, accessible on the council's website and at the council's public office, of the following information in relation to each member of a local authority:
- (a) the member's name;

## Guideline 1: Local Authorities

---

- (b) the date of appointment;
- (c) the local authority the member represents;
- (d) whether the member is a council member or otherwise a community member;
- (e) the date of the cessation of the member's membership (if applicable).

### 7 Policy for appointments and resignations

**7.1** A council must have a policy for its local authorities that provides for the following:

- (a) the CEO calling for nominations as soon as practicable after a vacancy arises and allowing at least 21 days for nominations to be received;
- (b) how the call for nominations is to be advertised and promoted so that residents of the local authority area know about it, know who to give a nomination to and when nominations close;
- (c) consideration of the nominations received – which must be an item of business at the first ordinary meeting of the council after nominations close;
- (d) the selection process and the term of appointment of the chairperson;
- (e) the process for the resignation of a member in writing;
- (f) how, and in what circumstances, appointment of a member may be revoked or otherwise cease.

*Example for clause 7.1(f)*

*The policy may state that the council will consider revoking an appointment where a member is absent, without permission of the local authority, from two consecutive local authority meetings.*

### 8 Minimum number of meetings

- 8.1** The CEO must ensure that at least 4 meetings for each local authority are held in a financial year.
- 8.2** Provisional meetings may be counted to satisfy the minimum number of meetings.

### 9 Meeting rules

- 9.1** Members of each local authority must appoint the chairperson of the local authority for a specified period.
- 9.2** If a member is unable to attend a meeting, the member cannot send a proxy or substitute to attend the meeting in the place of the member.

### 10 Local authority payments

- 10.1** Council members and council staff are not eligible to a local authority payment in relation to attending local authority meetings or provisional meetings.
- 10.2** Eligible members of local authorities are entitled to the respective local authority payment for each local authority meeting or provisional meeting they attend:
  - (a) for an eligible chairperson – 143 revenue units;
  - (b) for other eligible members – 107 revenue units.
- 10.3** In calculating a local authority payment, the amount must be rounded down to the nearest dollar.

## Guideline 1: Local Authorities

### Notes for clause 10

- 1 Subject to the Act and council policy, council members may be entitled to claim within the extra meeting allowance for attending a local authority meeting or provisional meeting.
- 2 Council may adopt a policy providing that members (including those members who are council members) are entitled to payment or reimbursement of reasonable expenses.
- 3 For local authority meetings, it is a matter for the CEO to apply the policy for payments and reimbursements for council staff in accordance with section 174(2) of the Act.
- 4 The value of a revenue unit for the relevant financial year is available on the Territory Revenue Office webpage.

## 11 Local authority meetings

**11.1** The agenda for local authority meetings must be prepared in consultation with the chairperson of the local authority and include the following:

- (a) any declarations of conflicts of interest by members;
- (b) items requested by members;
- (c) any reports on service delivery issues in the local authority area;

- (b) the council's proposed regional plan for the next financial year; and
- (c) the council's budget for proposed projects for the local authority area for the next financial year; and
- (d) any relevant community plan of the council or local authority.

**11.3** A local authority can confirm the minutes of a provisional meeting. Confirmation of the minutes does not amount to ratification under clause 11.5.

### Note for clause 11.3

*A local authority must, at its next meeting, confirm the minutes (with or without amendment) as a correct record of the meeting (see section 101(3) of the Act).*

**11.4** The minutes of a local authority meeting must number, date and reference each decision in such a way to identify it as a decision of the local authority (as opposed to a provisional decision – see clause 12.6).

**11.5** A local authority can ratify a provisional decision at a subsequent local authority meeting, and if it chooses to do so, it becomes a decision of the local authority.

## Guideline 1: Local Authorities

*Notes for clause 11*

- 1 Section 97(3) of the Act requires that notice convening a local authority meeting, which includes the agenda, must be publicly available on the council's website and at the council's public office.
- 2 Section 102(2) of the Act requires that a copy of local authority minutes must be publicly available on the council's website and at the council's public office within 10 business days after the date of the meeting.

### 12 Provisional meetings

- 12.1** If there is no quorum for a local authority meeting, but one third of total members are present, the members who are present may hold a **provisional meeting**.

*Example for clause 12.1*

*If there are 9 total members of a local authority and 6 members are unable to attend, the 3 members who are present may agree to hold a provisional meeting.*

- 12.2** A provisional meeting does not have the powers or functions that the council may have delegated to the local authority.
- 12.3** During a provisional meeting, all agenda items may be discussed. Minutes must be taken and the minutes must clearly state that it was a provisional meeting.
- 12.4** Members at a provisional meeting can confirm the minutes of a previous provisional meeting. However, members at a provisional meeting cannot confirm the minutes of a previous local authority meeting.
- 12.5** Members at a provisional meeting may, by majority vote, make recommendations to the council, provided any such recommendations are qualified as being a decision of the members at a provisional meeting (**provisional decision**).
- 12.6** The minutes of a provisional meeting must number, date and reference each decision in such a way to identify it as a provisional decision.
- 12.7** A copy of the minutes from provisional meetings must, within 10 business days after the date of the meeting, be available to the public on the council's website and at the council's public office.

### 13 Consideration of minutes

- 13.1** Minutes from provisional meetings (whether unconfirmed or confirmed) must be tabled at the next ordinary meeting of the council and included in the agenda.

*Note for clause 13.1*

*Sections 101(4) and 101(5) of the Act have an equivalent requirement for local authority meetings.*

- 13.2** Any items for attention raised in the minutes of a local authority meeting or provisional meeting must be considered by the council at the next ordinary meeting.
- 13.3** The council's response to the minutes from provisional meetings must be recorded in the minutes of the meeting of the council.

*Note for clause 13.3*

*Note for clause 14.2*

*Section 101(6) of the Act has an equivalent requirement for local authority meetings.*

- 14.3** It is best practice for a council to reference local authority decision numbers or provisional decision numbers (as the case requires) in the council's regional plan and annual report in relation to local authority priorities, projects and activities.

*Note for clause 14.3*

*Refer to sections 34(1)(c) and 291(1)(b)(ii) of the Act for relevant legislative requirements.*

## Victoria Daly REGIONAL COUNCIL

### 1.0 SUMMARY

#### 1.1 Purpose

This policy sets out how the Council will manage a complaint in relation to a breach of the Code of Conduct.

#### 1.2 Definitions previous

For the purposes of this policy:

**Code of Conduct** means the Code of Conduct set out in Schedule 1 of the Act.

**Complainant** means the person who lodges a Code of Conduct complaint against a council member (this person can be a council member or a member of the public).

**Respondent** means the council member who is alleged to have breached the Code of Conduct.

#### 1.3 Guiding principles

In managing complaints and contraventions of the Code of Conduct, Council's guiding principles are to:

- a) promote behaviour among all council members that meets the standards set out in the Code of Conduct, with a restorative approach that seeks to focus on constructive outcomes;
- b) emphasise a preference that disputes and allegations be identified and resolved before they escalate to the stage of a formal complaint; and
- c) recognise the leadership role of the Mayor and the responsibility of all members to work together collaboratively pursuant to their corporate responsibilities.

### 2.0 POLICY STATEMENT

#### 2.1 Promoting appropriate behaviour

The Mayor is to promote behaviour amongst all council members that meets the standards set out in the Code of Conduct.

Any council member aggrieved in relation to a potential Code of Conduct matter should raise the grievance in the first instance with the Mayor to seek a resolution. If the grievance is in relation to the Mayor, the grievance should be raised with the Deputy Mayor.

In response to a potential Code of Conduct complaint matter, the Mayor (or Deputy Mayor) will engage in informal discussions with the affected parties, as appropriate, to seek to resolve the matter.

## **Victoria Daly**

REGIONAL COUNCIL

### **2.2 Confidentiality**

Information regarding a complaint is confidential, including the complaint form, statements from any parties, and reports provided by the CEO regarding the status of a complaint.

Complaints will only be formally discussed by the Council or council panel during confidential sessions. Minutes kept by the Council or a council panel are confidential information in accordance with regulation 49(f) of the Local Government (General) Regulations 2021.

### **2.3 Complaint requirements**

The Act requires that a complaint alleging a breach of a Code of Conduct must:

- a) be in the approved form (available on the council website); and
- b) be made within three (3) months of the alleged breach of the Code of Conduct.

A Code of Conduct complaint must be lodged with the CEO, who will assess whether or not the complaint complies with the above requirements. If it appears that a complaint does not comply with the above requirements, the CEO will notify the complainant of the issues with the form of the complaint as soon as practicable and allow the complainant the opportunity to lodge a revised complaint.

### **2.4 Notifications to parties**

When a complaint is received, the CEO will provide notifications to the complainant and the respondent, in accordance with the requirements of the Act and Local Government (General) Regulations 2021.

The CEO carries out the role of secretariat in relation to a complaint and communicates with complainant, respondent and any relevant witnesses on behalf of the Council or council panel.

### **2.5 Referral to LGANT**

The CEO will refer the matter to LGANT if a complainant council member or respondent has elected to refer the complaint to LGANT under section 124(3) of the Act.

*Note: A complainant who is not a council member does not have the option to request referral to LGANT.*

### **2.6 Initial consideration by Council**

The CEO will refer the complaint to the Council for consideration in confidential session in the next council meeting, unless the complaint has been referred to LGANT in accordance with clause 8 above.

## Victoria Daly

REGIONAL COUNCIL

Before the council meeting, the CEO will establish a list of suitable third parties who do not have a conflict of interest and are willing to accept a referral of the matter (if the council decides to refer the matter).

The CEO will provide a copy of the complaint and any response from the respondent, the list of suitable third parties and a draft terms of reference for Council's consideration.

The complainant, respondent and any council member with a conflict of interest in relation to the complaint are required to leave the meeting room during any discussion, consideration or decision relating to the complaint.

When considering a Code of Conduct complaint, Council has the following three options:

- a) refer the complaint to a third party for advice – with Council to decide the complaint (see clause 9.1); or
- b) refer the complaint to a council panel – for the panel to decide the complaint (see clause 9.2); or
- c) decide the matter as the Council (see clause 10).

### 2.6.1 Referral to third party

Council may decide to refer the complaint to an independent third party for advice and recommendations by taking into the consideration the following:

- a) whether the complainant or respondent requested the involvement of a third party;
- b) the costs, if any, of referring the matter to a third party;
- c) whether the advice of a third party is reasonably expected to assist in achieving constructive outcomes for the parties involved;
- d) whether advice of a third party is reasonably expected to be received and able to be considered by the Council prior to the expiry of the 90 day period.

Council will not refer the matter to a third party unless satisfied of (c) and (d).

Examples of a third party are: an alternative dispute practitioner; a mediator; a person experienced in local government matters; and a person experienced in conflict resolution.

Where the matter is referred to a third party, the terms of reference will include that the third party is to do the following:

- a) consider the complaint and discuss with each of the parties;
- b) explore and follow up avenues for resolution between the parties;
- c) if resolution is not achievable, then the third party is to:
  - (i) ensure natural justice is provided to both parties;
  - (ii) interview any witnesses if necessary to form a view;
  - (iii) provide a written report to Council by a specified date covering the process, summary of evidence, attempts to resolve and recommendation;
  - (iv) provide a draft decision notice that may be used if council decide to adopt the recommendation.

## **Victoria Daly**

REGIONAL COUNCIL

Upon receiving the advice and any recommendations from the third party, provided the Council is satisfied that each party has been able to put their case and respond to any allegations of the other party, the Council will then decide the complaint. The Council is not bound by any advice or recommendations received from the third party.

Once the written report and draft decision notice is provided to the third party, the Council must decide the complaint (see clause 10.2).

### **2.6.2 Referral to council panel**

Council may decide to refer the complaint to a council panel for decision.

In order to fulfil the secretariat role in managing the Code of Conduct complaints process, the CEO will be in attendance at council panel meetings.

If the Council decides to refer the complaint to a council panel, the Council will establish a council panel for the complaint.

The composition of the council panel will be the following:

- a) the Mayor (as chair of the council panel) – unless the Mayor is the complainant, respondent or has a conflict of interest;
- b) if the Mayor/President] is the complainant, respondent or has a conflict of interest – the Deputy Mayor will be the chair of the council panel.

REGIONAL COUNCIL

Any requests for information from council staff members will be appropriately directed and facilitated through the CEO. The Council or council panel will not make direct requests to a council staff member.

The Council can make the following decisions:

- b) that the respondent did not breach the Code of Conduct; or
- c) that the respondent breached the Code of Conduct.

If the complainant is found by the Council or council panel to have breached the Code of Conduct, the Council or council panel may decide to:

  - (i) issue a reprimand to the respondent (for example, a reprimand may be a formal expression of disapproval in writing in the decision notice);
  - (ii) recommend that the complainant, respondent or any other person attend training, mediation or counselling by a specified date.

In choosing from the above options, preference will be given to the option that the Council or council panel considers most likely to result in a constructive outcome.

If training, mediation or counselling is recommended to a council member, the council member may use their professional development allowance, if available, towards the cost of the training, mediation or counselling.

### 2.7.3 Decision notice

After the Council or council panel decides the complaint, the CEO will, as soon as practicable, draft a written decision notice that sets out the following matters:

### **2.7.4 Summary of decision**

After the expiry of the 28 day appeal period, the CEO will seek advice from LGANT as to whether any of the parties have applied to LGANT for consideration of the complaint under section 126(3) of the Act.

If no parties have applied to LGANT for consideration of the complaint, the CEO will prepare a summary of the decision to be reviewed by the Council or council panel in the confidential session of the next meeting of the Council or council panel.

# Funding Guidelines

## Local Authority Project Funding

### Purpose

To encourage the continued development of local authorities and their respective communities through the provision of funding to undertake priority community projects that are in line with these guidelines.

### Objectives

The objectives of the program are to:

- Assist in building stronger communities and assist community priority projects as recommended by local authorities.
- To assist local governing bodies and the constituent communities they represent to become stronger and self-sustaining.
- Assist in the provision of quality community infrastructure that facilitates community activity and integration.
- Assist in developing local government capacity to provide legitimate representation, effective governance, improved service delivery and sustainable development.

### Funding Pool

The Local Authority Project funding pool is non-application based and is distributed through a methodology developed by the Northern Territory Grants Commission to regional councils.

This funding is only available for those local authorities published in the guidelines made by the Minister under Part 5.1 of the *Local Government Act 2019*.

### Local Authority Project Approvals

Individual local authorities must formally resolve each initiative this funding will be used for. A copy of this resolution is to be recorded in the minutes of the relevant local authority meeting.

At each local authority meeting, a report is to be submitted detailing the total amount of funding available and spent on local authority projects under this program in each financial year.

The report is to include details and amount spent on each project of the relevant local authority for which funding has been provided.

## Examples of Acceptable Purposes for Expenditure

- Repairs and maintenance of community assets controlled or owned by the council. For example:- office upgrades, fencing, solar lighting, road repairs and ablution facilities.
- Acquisition of plant and equipment directly related to local government service delivery. For example:- trailers, garden maintenance equipment such as brush cutters, lawn mowers and pressure cleaners, rubbish bin enclosures /stands.
- Upgrade/enhancement of community sporting facilities. For example upgrade of community ovals, basketball courts and playgrounds, shade structures, picnic areas, seating and park furniture, tree planting and irrigation.
- Festivals or other events – but must only be conducted within a council's own Local Authority area.

## Employee costs

If council employees are utilised as general labour to assist with approved projects, the value of such labour that can be expensed to the project is a maximum of \$30 per hour. The maximum amount that can be costed to general labour hours is 5% of the total annual local authority funding.

## Risk Management

Where funds are to be used for a purpose outside the council's control or on an asset that is not owned or controlled by council, the council should consider the liability and insurance requirements associated with that project. Councils should consider each project on its merit before progressing with the project. All risks associated with the project are to be considered and met by the council. The Department of the Chief Minister and Cabinet will not be held responsible for any liability arising out of the use of these funds.

## Pre-conditions

If the proposed project relies on pre-conditions (such as the acquisition of a section 19 lease under the *Aboriginal Land Rights (Northern Territory) Act 1976*), then the project should not be undertaken until there is conclusive evidence that the condition will not hinder the progress of the project for which funds have been allocated.

## Examples of Unacceptable Purposes for Expenditure

- Purchase of vehicles and fuel expenses
- Payment of salaries, cash prizes or recurrent operating costs of council
- Meeting costs and payments to local authority members
- Sponsorship by way of uniforms, travels cost and allowances
- Purposes that are not related to local government services and that should be addressed by another government agency.

Administration and/or project management fees are not to be levied on this grant funding.

## Process for Grant Payment

Once the respective allocations for each local authority have been calculated regional councils will receive a letter of offer and acceptance documentation from the Department of the Chief Minister and Cabinet.

This advice will comprise the total grant amount being offered to the regional council as well as a breakdown of the amount to be made available to each local authority.

Regional councils eligible to receive these grants will need to comply with the following:-

- Ensure that there are no outstanding grant acquittals relevant to this Department's local government grants, otherwise there will be no payment made of approved grant/s
- Return the signed acceptance form back to the Department of the Chief Minister and Cabinet with appropriate authorisation.

These grants will be released around mid-September once the signed acceptance and the previous year's certification reports are received.

## Annual Certification

- The grant must be fully expended within two years of receipt of funding. Failure to do so may result in the Department of the Chief Minister and Cabinet taking action, including but not limited to: withholding further grant payments under this program or requesting unspent funds to be repaid.
- Councils are to submit a certified income and expenditure report (financial report) for the year ended 30 June for each of its local authorities.
- The financial report must be completed in the format as required by the Department of the Chief Minister and Cabinet and formally approved by Council. The financial report is to be submitted to the Department of the Chief Minister and Cabinet on or before 31 August in each year. Failure to provide the financial reports by 31 August will result in delays in paying further funds.
- All approved projects are required to be procured in accordance with the *Local Government Act 2019* and, as far as practical under the NT Government's Buy Local Plan.
- Requests to carry-over unspent funds remaining after two consecutive years is to be submitted via email to: [lg.grants@nt.gov.au](mailto:lg.grants@nt.gov.au). All requests will be considered on a case by case basis and approval is not automatic.

## Funding Guidelines

- The Department of the Chief Minister and Cabinet reserves the right to request the full value of the grant to be returned if the council disposes of an asset acquired with this funding within four years of the payment of the grant.

# Local Authorities under the new Act

## Summary

Local authorities play a vital role in the community by working with councils and ensuring that community interests are considered in council's decision making. The aim of local authorities is to foster positive and constructive working relationships between council and community members.

Community members have the opportunity to raise matters to the local authority – this provides a local forum for the community to have their say and for their voice to be heard.

Some of the key roles of local authorities are to:

- represent the interests of the community or communities within the local authority area to inform and make recommendations to council;
- work with council to provide and develop local projects; and
- exercise powers that are delegated to the local authority by the council.

The *Local Government Act 2019* (the Act), which commenced on 1 July 2021, includes changes for local authorities that identify the key functions and relationships between a council for a region and its local authorities.

The Act has new regulations and guidelines. The regulations are the *Local Government (General) Regulations 2021* and *Local Government (Electoral) Regulations 2021*. The guideline relating to local authorities is called 'Guideline 1: Local Authorities'.

Acts are laws that provide broad legal principles. Regulations are laws that provide specific details for an Act. The General Regulations cover, in relation to local authorities:

- public access to meetings;
- meeting minutes; and
- access to records (e.g. minutes).

Guidelines are rules and standards made by the Minister for Local Government. Guideline 1 is important as it has a list of all the local authorities in the Northern Territory (see the Schedule). Guideline 1 also creates rules, local authority processes, and how provisional meetings are to operate – as well as what a council must do in terms of reporting to a local authority.

Some of the topics Guideline 1 deals with include:

- appointments and resignations;
- sitting fees; and
- local authority meetings and provisional meetings.

## Important rules about local authorities

There are some important rules to remember about local authorities. For extracts of relevant sections in the Act, please refer to *Resource No. 18 - Local Authorities*.

- The Act requires a council to appoint **at least 1 council member** (for the ward) to be a local authority member for each of its local authorities. **There is no limit to the number of council members (for that ward) who can be appointed to a local authority** (see section 77 of the Act).
- The Act requires a council to **seek advice and recommendations from its local authorities** in relation to the council's budget, priorities for expenditure, service delivery, regional plans, strategic directions, and funding (see section 81 of the Act).
- The Act requires a council to **include in their annual report the activities of its local authorities** for the relevant financial year, such as any local authority projects (see section 291(1) of the Act).
- Guideline 1 requires a council to keep an **up-to-date register of its local authority members** and make this available on the council's website and at the council's public office. This allows community members to know who are their local authority members (see clause 6.3).
- Guideline 1 requires the council to provide, at each local authority meeting (or provisional meeting), a **financial report of the actual results against the latest approved budget for a local authority area**. This financial report must also be listed as part of the local authority's agenda items (see clauses 11.1(g) and 14.1).

## Questions and Answers

### 1. What is a 'quorum'?

A quorum is a way of saying that there are enough members present to have a meeting. In the Act, a quorum is reached when a majority of members are present. For example, if there are 9 total members of the local authority, there must be at least 5 members present.

The 'total members' means the number of local authority members appointed by the council to that local authority (and who have not resigned or otherwise ceased to be a member).

### 2. What is a 'provisional meeting'?

If there is no quorum, the members who are present may agree to hold a meeting if there is at least one third of the total members present. For example, if there are 9 total members of the local authority, there must be at least 3 members present to hold a provisional meeting.

A provisional meeting allows the members who are present to discuss all agenda items. The meeting must clearly identify in the minutes that it was a provisional meeting.

#### Minimum numbers of members present to hold a provisional meeting

6 members total = <b>2 members</b>	10 - 12 members total = <b>4 members</b>
7 - 9 members total = <b>3 members</b>	13 - 14 members total = <b>5 members</b>

## Local Authorities under the new Act

**3. What is a provisional decision?**

A provisional decision is a decision made by members at a provisional meeting. However, it must be clearly identified that this decision of a provisional meeting, rather than a local authority decision.

A local authority meeting (where quorum has been reached) can choose to ratify ('approve') a provisional decision – this decision then becomes a decision of the local authority:

**4. Who is eligible to be a local authority member?**

There is a requirement that at least 1 council member be appointed to each local authority. The council member who is appointed must be a member for the ward where the local authority is located. Additionally, members of the community within a local authority area are eligible.

**5. Is there a required number of local authority meetings?**

Yes, there must be a minimum of 4 local authority meetings held in a financial year. Provisional meetings may be counted to reach this required number of meetings.

**6. Can local authorities have a rotating chairperson?**

In Guideline 1, councils need to have a policy for local authorities that includes determining the term of the chairperson. If the local authority wants to have different chairpersons throughout the year, it will need to make a decision to appoint each chairperson (and the term of the chairperson) in accordance with the council's policy.

**7. How does a local authority raise community issues to the council?**

Local authority members need to work closely with the community to gather feedback and understand issues that affect their community. Members of the community can talk with their local authority member, who then may raise those issues during discussions at local authority meetings. The local authority may then decide to provide advice or recommendations to the council.

For example, if a community wishes to start a new recycling program – this can be raised with the local authority who could make a decision to recommend a recycling project to the council.

**8. How do local authorities work with the council?**

Some of the ways that local authorities work with the council include:

- taking the views of local communities back to the council and acting as advocates;
- contributing to the development of the council's regional plan;

## Local Authorities under the new Act

- making recommendations to the council in relation to council's service delivery.

*Please refer to sections 78 and 81 of the Act for more information.*

**9. Do local authorities have decision-making powers?**

A council may delegate specific decision-making powers to a local authority. Generally, local authorities provide advice and recommendations on issues affecting the local authority area to the council.

*Please note, while local authorities may have powers delegated to it by the council, these powers cannot be exercised at a provisional meeting.*

**10. What is the role of Council when it has delegated its powers to a local authority?**

Where a council has delegated its decision-making power to a local authority, the authority would make the decision on the delegated matter. Council may note the decision made by the local authority.

Please note that the Council can withdraw its delegation of power to a local authority at any time.

**11. Do local authority members receive an allowance?**

Local authority members (who are not council members) are entitled to a sitting fee for being a local authority member. Council members may be entitled to an extra allowance for attending local authority meetings, in accordance with council's policy. Please refer to Guideline 1.

**12. How will residents of a community know who is a local authority member?**

The council must keep an up-to-date register (list) of the local authority members for each local authority. This register must be available on council's website and at the council's public office.

**13. Does the council have to provide any reports to the local authority?**

There are 2 main reporting requirements for a council:

1. **Financial reports** – the council must provide the local authority with a current financial report of actual results against the latest approved budget for the local authority area.
2. **Response to meeting minutes** – council must provide a response to the meeting minutes of a local authority meeting (or provisional meeting).

**14. Can a local authority member have a conflict of interest?**

Yes, conflict of interests provisions apply to local authority members. Local authority members must declare any conflict of interests at a local authority meeting or to the council CEO. If a local authority member has a conflict of interest, they cannot participate and must leave the room while the matter is being discussed or decided. *Please refer to sections 114 and 115 of the Act.*

## Local Authorities under the new Act

**15. Are local authority meetings open to the public?**

Generally, local authority meetings are open to the public and any interested party can attend. Minutes and agendas of a local authority meeting also need to be publically available on the council's website. However, a local authority meeting may be closed from the public if a local authority is considering confidential business.

**16. Do I need to resign as a local authority member if I am a candidate for a local government election?**

A local member who wishes to run for a local government election does not need to resign.

**17. Do I need to resign as a local authority member if I am a candidate for a Legislative Assembly (Territory) election?**

If a local authority member wishes to run for a Legislative Assembly election, they will need to resign in writing from being a local authority member before they 'nominate' as a candidate.

For example, a local authority member could announce that they are going to nominate as a candidate and still remain on the local authority. However, they ***must resign from the local authority before they lodge their nomination form*** with the Electoral Commission.

**18. How do I resign if I am a local authority member?**

If a local authority member wishes to resign, they must resign, in writing, in accordance with the process set out for resigning in the Council policy for local authorities.
